## Teen Ambassador Application

The Friends of the Tigard Public Library is a group of people dedicated to promoting, enhancing and expanding the services that the Library provides to our community. The Friends raise money to fund library programs, materials, art displays and more. It is a nonprofit organization which is independent from the library.

**The Friends are seeking two Teen Ambassadors who will provide a youthful perspective, manage the group's social media and support efforts to raise funds for library programs and services. For the initial implementation of this program, there is a one-year position and a two-year position available. Students from the 12th grade are eligible to apply for the one-year position. Afterward, these are two-year volunteer leadership positions with a review at the end of the first year. Teen Ambassadors must be in grades 10-12 and able to commit to meet regularly on the second Tuesday of every month from 4:00-5:00 p.m., volunteer three hours a month in the Library's book donation room and keep the Friend's social media updated.**
